Why Do We Cover Crucifixes and Statues During Lent?

The practice of covering crosses and images throughout the church from the fifth Sunday of Lent may be observed. Crosses remain covered until the end of the Celebration of the Lord's Passion on Good Friday, but images remain covered until the beginning of the Easter Vigil.

This practice is to heighten our senses and build within us a longing for Easter Sunday.

- We use veils to alert us of the special time that we are in.
- The veils focus our attention on the words being said at Mass.
- The Church uses veils to produce a heightened sense of anticipation for Easter Sunday.

The veils are not meant to be there forever. The images need to be unveiled; it is unnatural for them to be covered.

The unveiling before the Easter Vigil is a great reminder of our own life on earth. We live in a "veiled" world, in exile from our true home. It is only through our own death that the veil is lifted, and we are finally able to see the beauty of everything in our lives.

OUTREACH MINISTRY

"For I was hungry, and you gave me food" (Mt 25:35). We collect food each Sunday for Catholic Charities of the Pee Dee. *They especially need canned fruit and vegetables.* Check dates on donated food. Catholic Charities also needs toilet paper, tissues, paper towels, unscented laundry detergent, dryer sheets, disinfecting wipes, white vinegar, bleach, deodorant, soap, cereal, toothpaste, toothbrushes, shampoo/conditioner, disposable razors, baby powder and foot powder.
